

GED Testing Service is pleased to announce the following new webinars on the 2014 GED® test to be held January and February 2013. Select the link underneath each scheduled session to access the registration form of the session you would like to attend.

### **2014 GED® Test 101**

(Monday, January 14, 2013, 3:30 p.m. and 5:30 p.m. EST)

This hour-long webinar will provide you with an overview of the key features of the new GED® test that launches in January 2014. The session will include a summary of the major similarities and differences between the current 2002 Series and the new 2014 GED® test, a review of the item types, information about test length, how the Passing Standard will be set, where the test will be given, when the new practice test will be launched, the kinds of reports resulting from the test, and more. Get grounded in the basic facts to help you get ready for what's to come in 2014!
